

Readme Sex Survey Results

Eshaan Joshi
Editor-in-Chief

The Tartan, our forsown enemy and a scourge on all good, dishonest reporting, recently published a survey on the sexual behaviors of the student population. We could not let this stand. Since every single readme staffer is a veritable sex magnet (unlike those tree-hugging, literature-reading geeks at the Tartan), we decided to do our own survey, and publish a few of the results here.

Your move, Tartan.

*We'd give you the most desperate person's number
but do you really want us matchmaking?*

Would you still love me if I was a worm?

Fuck you Richard I'd be a sexy fucking worm
